Chatem — community-first spaces to connect, create, and thrive

Chatem is a community-first social platform built around focused groups—places where people can gather around an interest, a project, a goal, or a shared identity and actually do things together. Instead of feeling like a noisy feed, Chatem is designed to help you find your ...

About Chatem

Hi, I'm Parker. I make games and websites, and I like to play basketball.

Mission

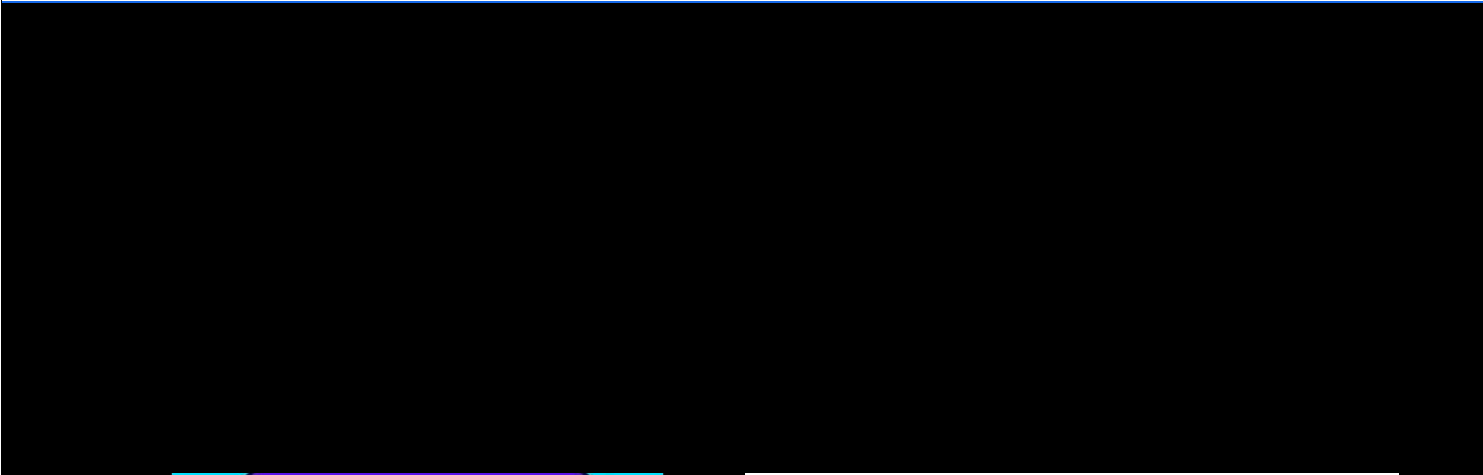

At Chatem, we want to build a community and make people smile.

History

Before Chatem, I tried a few ideas like a 10-second video site, 10sec, also a site called Buzznet. They didn't work out, but they helped me create Chatem — a place to connect and have fun. After that I tried a site called "comm-unity." It failed to.
